WHAT IS consent?

CONSENT IS:

Freely given — NOT forced.

Specific — consent to one thing is not consent to all.

CONSENT CAN BE REVOKED.

Willing

CONSENT APPLIES TO...

- All ages,
- All genders,
- All orientations,
- All!

When you are honest, people learn to trust you and feel safe being themselves when they're with you. Remember, though, you have to be honest in a nice way!

Treat everybody the same way that you would like to be treated.

Learn about how people are different from you, and celebrate those differences. There is a lot to learn about other cultures, languages, religions and backgrounds.

CONSENT IS NOT PRESENT WHEN...

- Force is used
- Someone is unconscious
- Someone is under the influence.
- There is miscommunication

BE SAFE!

Really listen to what people say. Taking an interest in your friends' lives shows that you care about them.

Listening is an extremely important part when establishing consent.

LET ME KNOW IF YOU WANT TO STOP

WOULD YOU PREFER IF I...?

DOES THIS FEEL SAFE?

DO I LIKE THIS?

IS THIS FUN?
